Retraction: Effect of propolis on the reproductive toxicity induced by deltamethrin in male albino rats

Wael M. Al-Amoudi

Biology Department, Faculty of Applied Sciences, Umm Al-Qura University, Makkah, KSA.

E-mail: wmamoudi@uqu.edu.sa

Received 1 September, 2015, Accepted 31 December, 2015

The author, Wael M. Al-Amoudi, has requested the retraction of his article titled "Effect of propolis on the reproductive toxicity induced by deltamethrin in male albino rats" which was published in Vol. 10(4), pp. 44-52, 29 January, 2016 from the journal's website and publisher's database.

The retraction of this paper from journal's website and publisher's database is as a result of a double publication in Anatomy & Physiology
<http://dx.doi.org/10.4172/2161-0940.S5-004>.

Wael M. Al-Amoudi is deeply sorry for any inconvenience this may have caused to the editorial staff, readers and other researchers.

In an effort to stop the distribution of this publication and the data contained therein, African Journal of Pharmacy and Pharmacology is retracting the article in its entirety with the consent of Wael M. Al-Amoudi.
