The authors, Mohkber Dezfouli M. R., Sadeghian S.*, Javanbakht J., Hobe Naghi R. and Lakzian A., have requested the retraction of their article titled "A study of occurrence and histopathology of *Mycoplasma* infection in sheep in Tehran suburb, Iran" which was published in Vol. 3(6), pp. 106-111, June 2011 from the journal's website and publisher's database.

The retraction of this paper from journal's website and publisher's database is as a result of a double publication in the Journal of Comparative Clinical Pathology <http://link.springer.com/article/10.1007/s00580-011-1296-2>.

Sadeghian S. is deeply sorry for any inconvenience this may have caused to the editorial staff, readers and other researchers.

In an effort to stop the distribution of this publication and the data contained therein, Journal of Infectious Diseases and Immunity is retracting the article in its entirety with the consent of Sadeghian S.
