Retraction: Treatment advances and future directions in stages II and III colon cancer

El Mehdi Tazi and Hassan Errihani
Department of Medical Oncology, National Institute of Oncology, Rabat, Kingdom of Morocco.
E-mail: moulay.elmehdi@yahoo.fr.
Accepted 2 September, 2010

The authors El Mehdi Tazi and Hassan Errihani, have requested the retraction of their article titled "Treatment advances and future directions in stages II and III colon cancer" which was published in Vol. 2(1), pp. 1-11, January 2011 from the journal's website and publisher's database.

The retraction is based on the fact the text was duplicated from a previously published article in The Cancer Journal.

El Mehdi Tazi accepts full responsibility for article, and the co-author Hassan Errihani did not participate in the writing and publication of this article. He was mentioned as a co-author without his knowledge.

El Mehdi Tazi is deeply sorry for any inconvenience this may have caused to the editorial staff, readers and co-author.

In an effort to stop the distribution of this publication and the data contained therein, Medical Case Studies is retracting the article in its entirety with the consent of El Mehdi Tazi.
